Fund description

The fund invests primarily in bonds issued or guaranteed by governments in emerging markets. Exposure to non-government guaranteed corporate debt is limited to a maximum of 20% of the fund. The fund is a feeder-fund with the objective to permanently invest 85% or more of its assets in the Aegon Global Multi Manager Emerging Market Debt Fund - USD (the 'master-fund').

Aegon AM uses a structured multi-manager investment process for asset management. This means that on the basis of an intensive selection process, specialized external managers manage the assets.
