

# MM World Equity Index SRI Fund Class C EUR Hedged Acc

30 November 2024

## **Fund description**

The fund invests globally in listed company equities and uses a best in class (ESG) approach by investing in the MM World Equity Index SRI Fund. The American dollar, British pound and Japanese yen exposure in the benchmark is hedged monthly to the euro.

Aegon AM uses a structured multimanager investment process for asset management. This means that on the basis of an intensive selection process, specialized external managers manage the assets. The investments are passively managed. In principle, one external manager is appointed for cost reasons.
